ABOUT IKMIB

Main Focus areas of Istanbul Chemicals and Chemical Products Exporters Association are:

- Increasing the exports of Turkish chemicals industry, to diversify product range and potential markets
- Analyzing trade statistics and maintain reports about chemicals sector
- Organizing international fairs, exhibitions, seminars, educational activities and all regional activities related to export operations in order to present the Turkish chemicals sector to the global market; and to cooperate with all the necessary and beneficial organizations related to Association's goals
- Organizing trade missions and buying missions
- Dealing with REACH Regulation. (Registration, Evaluation, Authorisation and Restriction of Chemicals) REACH Helpdesk is established within Istanbul Chemicals and Chemical Products Exporters' Association
- Research new marketing areas related to industry

If you need more information about on the subjects that we deal with, please contact to us at:
