Chemicals and Chemical Products  
Exporters' Association*

# ABOUT İKMİB

**Istanbul Chemicals and Chemical Products Exporters Association (IKMIB)** takes active part in international organizations in order to sustain the professional ethics and cohesion of Turkish export companies in the chemicals industry, help increase export levels, diversify export products, help increase products' competitiveness defend its members' rights and interests and help them from strong relationships in the international arena and support them to get into new markets since 1991. İKMİB efficiently and successfully represent the Turkish chemical sector with the support of the Ministry of Trade and Turkish Export Assamby in Türkiye as well as in the World. In the chemical industry with its 16 sub sectors such as plastics, cosmetics, medicals and pharmaceuticals, rubber and paint, İKMİB remarkably contributes to the Turkish economy and export and also adds value to the country by supplying raw materials for many sectors such as otomotive, textile and food.

## **Main Focus areas of Istanbul Chemicals and Chemical Products Exporters Association are:**

- Increasing the exports of Turkish chemicals industry, to diversify product range and potential markets
- Analyzing trade statistics and maintain reports about chemicals sector
- Organizing international fairs, exhibitions, seminars, educational activities and all regional activities related to export operations in order to present the Turkish chemicals sector to the global market; and to cooperate with all the necessary and beneficial organizations related to Association's goals
- Organizing trade missions and buying missions
- Dealing with REACH Regulation. (Registration, Evaluation, Authorisation and Restriction of Chemicals) REACH Helpdesk is established within Istanbul Chemicals and Chemical Products Exporters' Association
- Research new marketing areas related to industry
